

## May-June Trestleboard

### Brothers

I sure do love this time of year, winter was horrible *“but ain't the roses sweet.”* The days are longer, so is the time to get out there and spend as much time with your families as possible. They are our glue, our strength and support. They are the very same people who make us who we become. When it comes to our Masonic family, what true group of friends and brothers can't be found anywhere else in the world. Only us, as being Freemasons, can experience this true bond between one another.

For the first time in my life I now know what it feels like to be a grandparent. What a blessing to our family and me. On March 20, my first grandson was born, Duane Allan Duncan, III, or aka 3G. To get even better our second, Klhove Parker Ellis, a granddaughter was born April 14. What a blessing to our family.

Sadly to say Stephenson Lodge has had a tough past thirty days. My brothers, we have lost yet another brother, Past Master Oscar Baldwin. What a great friend and brother. Brother Oscar never missed a meeting for years and he knew the WORK very well. Brother Oscar was our treasurer and chaplain for many years, doing outstanding work. Please keep the Baldwin and Fournier families in your prayers.

As you may know, we lost Past Master Dave Kraus on March 20 and Brother William Reynolds on April 5. All these Brothers will be greatly missed, but not forgotten. They were the cornerstones of Freemasonry.

### IN MEMORY

Oscar Reid Baldwin

### Fraternity

Duane Duncan WM

If anyone needs anything , please call me or any line officer.
