

STEPHENSON LODGE No. 135 A.F. & A.M.

Greetings from the East,

I hope this month's Communication finds you well and if you are like me, anxious for warm weather. Our second meeting for March had to be cancelled due to the recent snowstorm but Spring is surely just around the corner.

We Retrieved the Travelling Gavel

After an absence of several years the members of Stephenson Lodge made a trip to Union Lodge in Elkton on March 21st to re-claim the Travelling Gavel. Thirteen Brothers turned out for a great evening that included fellowship, dinner and a chance to visit a Lodge in nearby Cecil County. This is a great way to meet other Masons and I really appreciate all of the Brothers who were able to join us.

Spring Dinner

On Wednesday, April 19, Stephenson Lodge will be holding a special Spring covered-dish dinner before our regular meeting on that night. Please mark your calendar to attend as there will be several surprises that evening along with some special guest appearances. You won't

want to miss the great fun, food and fellowship along with a chance to rub elbows with Brother's from other Lodges.
